

- When and how do people have contact with the Government?
- What does the Government do for you?
- Do people use ID cards or other official documents?
- Can you see any symbols of the state (e.g. flags, uniforms, ceremonies)
- Does the government provide any financial benefits?
- When do people turn to the Government for support?
- Who else do people use for support?
- If there are any local IGOs and NGOs in the area, what do they do?
