

Administration of Justice

- What do people do when they have a conflict between two groups?
- How is justice and punishment delivered?
- What kinds of criminal activities have occurred in the last year?
- Do people use Government systems, or other systems?
- What do people see as the role of the police?
- What do people think about the police?
- What do people see as the role of the armed forces?
- What do people think about the armed forces?
- Are there militias in the area? Who do they work for and what do they do?
