Cmap Peer Review Feedback

This feedback sheet is for you to provide notes to your author of the cmap. Please take the time to carefully review the cmap and write an impartial review. This review will be based on the cmap rubric.

1. Propositions

- a. Is the meaningful relationship between concepts indicated by a connecting line and linking word(s)?
- b. Are the relationships valid?

2. Hierarchy/ Branches

- a. Does the map show hierarchy? (Comment & give advice on how to deepen their understanding of the topic)
- a. Does the map display branching that differentiate among more specific concepts that are related to the same more general concept. (How can these be expanded?)

4. Cross-links

a. Does the map show meaningful connections between one segment of the concept hierarchy and another segment?

b. Is the relationship shown significant and valid?

5. Examples

a. Are there specific events or objects that would help elaborate on the concept?

b. Could this be linked up to a concept in your home concept map?

c. Does this cmap contain real world applications and examples of the concepts?
